

GUEST SPEAKERS

Each year we draw dynamic community and business leaders to share their successes and experiences. These speakers are a great inspiration to the young leaders of tomorrow. We would like to thank Barnaby Howarth and Matt Kershaw for sharing their personal story, influencing students' futures and reflecting on the Forum's values of service, integrity and courage through the virtual keynote sessions!

COMMUNITY SERVICE

As students were unable to travel to our usual Community Service Project venues, students discussed the value of service, the impact of serving others and both the impact they could make as an individual and collectively as a team. Students planned their own community service initiatives as a leadership team for the next 12 months. We look forward to reconnecting with BaptistCare Aminya Village and McCall Gardens in 2022.

Our volunteer team were excited to get back out in to our local community and raise funds for the Forum through a fundraiser BBQ held at Bunnings Dural.

THANK YOU TO OUR SPONSORS

We would like to acknowledge our sponsors, without whose financial support and assistance we would not be able to impact the lives of so many young leaders. They believe in making a positive impact on future generations and in the world. We would especially like to thank our major sponsors, Nature's Sunshine Products of Australia and Castle Towers, for their belief in everything we do.
